Minutes of meeting of the Legal Committee and Advisory Committee of Ministry of Economy held on 20/06/2012.

Do hereby decide:

Section One

Joint-Venture Companies

Article (1)

Subject to the unity of object and specialization, formation of joint-venture companies shall be between the Libyan national and body corporate persons and the foreign national and body corporate persons according to their specialties as registered with the official departments in the country of abode of their main domicile, after obtaining permission from the Minister of Economy, provided the joint-venture shall not be a holding company.

The chairman of board of directors of the joint-venture (joint-sock) company or the manager of joint-venture (limited liability) company should be of Libyan nationality.

Article (2)

The joint-venture companies shall take the legal form and status of a joint-stock company under the provisions of commercial activity law N° . (23) of the year 2010 provided that its paid up capital upon incorporation shall not be less than one million dinars or three tenths (3/10) of the cash capital subscribed, whichever is the greater.

Such forms of companies may carry on economic activities in all fields in Libya under the effective legislations except the fields specified under article (6) hereof.

The joint-venture company may also take the form of limited liability company formed by natural body persons (Libyans and foreigners) and the capital in such case shall not be less than fifty thousand Libyan dinars in the fields stated in the List appended with this decision.

Article (3)

The participation of foreigners in the capital of the joint-venture company, throughout its existence, shall not exceed (49%) forty-nine percent.

However, for certain considerations concerning the nature of activity, its location, technical or technological requirements and under justifiable decision from the Minister of Economy, the foreigner's participation may exceed the portion stipulated but by no means shall surpass (60%) sixty percent.

Article (4)

Upon signing the memorandums of association of joint-venture companies, the following documents should be provided:

I- For the Body Corporate Person:

- 1- Decision of the national and foreign Company's Board of Directors approving participation in establishing a joint-venture company and to mention the percentage of each partner therein.
- 2- A copy of memorandum and articles of association of both, the national company and the foreign company.
- 3- A fresh extract of registration entry of the national and foreign company in the Commercial Register or its equivalent.
- 4- Statement from a commercial bank operating in Libya, to the effect that the monetary capital of the company have been effectively paid in full provided not to be less than three thirds of the monetary capital and confirming that the foreign partner has duly transferred the amount needed to be provided of his portion in the Company's capital to Libya.
- 5- Statement evidencing provision and valuation of the shares in kind in accordance with article (104) of law N°. (23) of the year 2010 and whether these shares in kind are provided by the national or foreign partner.

The documents referenced in paragraphs (1-2-3) hereof should be attested by the competent official bodies in the country of abode respecting the foreign partner and from the Libyan Embassy or its equivalent in that State provided documents in foreign language shall be translated to Arabic language inside Libya by a sworn translator.
